Certifikát

FOR ORGANIC FOODSTUFFS

a number 004307
for organic producer

Amylon, a.s., with its statutory address at Švermova 117, Havlíčkův Brod, 580 36.

Amylon, a.s. - operation Ronov nad Sázavou, number 02220.

On the basis of the inspection of the type B, carried out on April 25, 2007 and report of evaluation out on April 26, 2007 of the results of this inspection, there was found that the operator is in compliance with the requirements of the Council Regulation No. (EEC) No. 2092/91, On organic farming, and related labelling of agricultural products and food products as well as the requirements of the Act No. 242/2000 of the Coll., On organic farming.

KEZ o.p.s. confirms that the holder of this certificate is authorized, when labelling its products from the activities by OKEČ (those exact name, amount and statute are listed in the form of a list in the appendix to this certificate), to include, in accordance with the Art. 10 and the Appendix V. of the Council Regulation (EEC) No. 2092/91, a graphical symbol and the text „Organic farming – EC inspection system“, as well as the labelling and graphical symbol in accordance with § 23 of the Act No. 242/2000 of the Coll.

This certificate is valid from 26.4.2007 to 26.7.2008

In Chrudim on 26.4.2007

Ing. Kamil Pecka

Chief of the Certification Body

KEZ o.p.s.

Important information: The certificate stays the possession of KEZ o.p.s. and its validity finishes following the end of the period that was issued for. In addition, its validity finishes when terminating the contract on inspection by any of the contract parties, following any finding of violation to the provisions of the Council Regulation (EEC) No. 2092/91 or the Act No. 242/2000 of the Coll. Following the termination of the certificate validity, it is necessary to replace it by a new certificate issued by KEZ o.p.s. on the basis of a non-interrupted inspection and certification process.
